SOUNDTRACK
OF YOUR LIFE

Wireless, flawless, peerless

For 30 years Cyrus has engineered some of the world's most advanced hi-fi components.

Our devotion to sonic perfection has made Cyrus one of the industry's most respected brands and now the arrival of Lyric is the culmination of our passion and expertise, brought together in one superior audio system.

With high power to drive quality speakers and leading-edge digital systems accessed via intuitive App controls, Lyric is wireless connectivity at its best.

Stream with Bluetooth or Wi-Fi from your phone, tablet or home network; play CD's or connect further audio sources such as your turntable or your TV. The clarity is breathtaking. Lyric's advanced technology transforms any music source into beautiful, high quality sound.

Available in two sophisticated colours, Lyric not only delivers heart-stirring pure sound, but will also complement any contemporary environment.
